I saw in your last issue that the Democratic convention held in Boone Sept. 17. 1888 had nominated me" as their candidate for Treas. of Watanga county. After my due regards to the honorable convention-I will accept the nomination, I have never asked the people of Watauga county for any office but as they have asked me to be a candidate for the office of Treasurer, I will do the best I can and will try to out-run my cousin L. A. Greene I will not give up the race till after the 6th. of Nov. '88. All I want is a fair race and a fair count and if I am beaten I will submit my claims cheerfuly. Success to the Democrats of N.
